

## TOTTENHAM HOTSPUR FOOTBALL CLUB

### SPORT SCIENCE INTERNSHIP - VACANCY FOR SEASON 2008/2009

A rare opportunity is available to gain experience in a forward-thinking Sports Medicine and Sport Science Department at a successful Premier League football club. Our Internship programme was launched in 2007 and has proved to be a rewarding and successful experience for individuals to date.

This position offers an excellent opportunity for a highly motivated, conscientious individual who has either recently completed or is within 2 months of completing a Masters Degree in Sports Science or a closely related discipline (including the IOC Diploma Sports Nutrition).

A strong academic background is essential. Some experience of working with elite athletes and/or young people (under 18s) would be highly desirable.

The successful candidate will be able to demonstrate a particular interest and knowledge base in one or more of the following areas: exercise physiology, sports nutrition or strength and conditioning. Some evidence of the candidate pursuing this interest further than academic study is desirable.

The position is a fixed term contract for 12 months (subject to a six month probationary period) and is based in Chigwell, Essex.

Basic salary £15k + additional CPD grants.

Start date Nov/Dec 2008.

As part of normal and regular duties, this position involves working with young athletes (under 18s) and is subject to safe recruitment protocols, including CRB Disclosure at Enhanced Level and references. Tottenham Hotspur is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment.

Tottenham Hotspur is an equal opportunities employer.

**Applicants must complete an application pack and provide a photocopy of MSc certificate or evidence that you are within 2 months of finishing MSc programme (letter from university).**
